Building a Stronger Future Together

VISION 2030 IN ACTION

Thanks to your generosity, Vision 2030 is already making an impact. Highlights include:

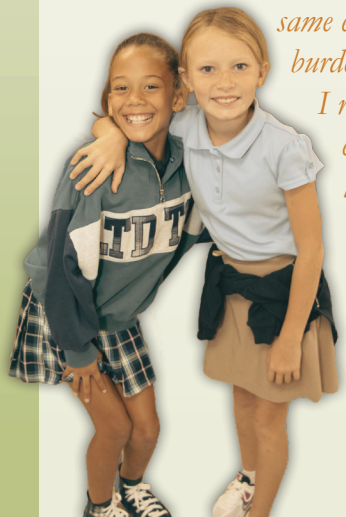

- **Appreciation Bonuses** – Every educator and staff member received a bonus at the start of the school year.
- **Investing in Talent** – Regis will continue improving compensation to attract and retain top talent.
- **Recruiting Excellence** – We welcomed some of the region's finest educators for 2025–26, thanks to strategic recruiting guided by Vision 2030.

These early successes show that Vision 2030 is a vibrant reality shaping Regis today. We will continue to share updates highlighting milestones, impact stories, and continued progress.

"When I attended Regis, tuition was affordable because many teachers were nuns and priests. Today, that same education can be a burden for some families.

I received an excellent education, and I choose to pay it forward by supporting an endowed scholarship and Regis' greatest needs."

Dick Gannon
Class of 1955

GROWING WITH PURPOSE

Vision 2030 preserves our faith-filled environment, dedicated educators, and small class sizes—while welcoming more families.

WHY IT MATTERS:

- Expand access to a Regis Catholic Schools education.
- Strengthen the financial foundation of our schools.
- Invest in teacher support and academic excellence.
- Build a vibrant, resilient future for every facility.
- Growing faith through Catholic education, strengthening our Church community.

"Educating our children is one of the most important responsibilities we have. Developing the next generation of leaders with a solid moral foundation and strong character is what Regis does."

Jeanne Chilson-Szepieniec
